Scope question? Send an overview to help@sewp.nasa.gov.

How to request a quote

1. Submit your requirement in the SEWP Quote Request Tool at sewp.nasa.gov.
2. Select LCG's category, or name LCG, Inc. as a suggested source.
3. Attach the SOW/PWS, period and place of performance, contract type and security needs.
4. LCG reviews the request and sends any questions back through the QRT.
5. LCG submits its quote, priced from its SEWP VI labor rates, by your due date.

How orders flow

1 · Your agency
Writes the purchase request and issues the delivery order.

2 · SEWP PMO
Reviews and forwards the order to LCG. Modifications route here too.

3 · LCG kickoff
Holds the kickoff and transition-in as the order specifies.

4 · Delivery
LCG performs to the order's SOW, SLAs and acceptance criteria.

Support after award

Topic	LCG commitment
Installation and transition-in	Setup, installation and transition-in delivered as specified in each order's SOW/PWS.
Basic warranty and rework	Deliverables that miss acceptance criteria are corrected at no added cost, per the order's terms.
Extended warranty	Available when specified and priced in the order.
Help desk support	Support hours and SLAs as defined in each order's SOW/PWS.
Software support	Defect correction during the warranty period stated in the order.
Third-party licenses	Passed through on manufacturer terms when included in the order.
