## **The National Institute on Alcohol Abuse and Alcoholism Awards \$8M Information Technology Support Services Contract to LCG**

ROCKVILLE, MD (January 31, 2023) – LCG Inc has been awarded an \$8M multi-year contract to provide information technology services in continued support of the National Institute on Alcohol Abuse and Alcoholism (NIAAA), one of 27 Institutes at the [National Institutes of Health \(NIH\)](#).

“We are thrilled to continue our partnership with NIAAA. This multi-year contract is rewarding not only from a growth perspective, but it indicates the high level of service LCG has successfully provided to NIAAA and other Institutes and Centers (ICs) at NIH,” said Jeff Mackey, Director of the Project Management Office at LCG Inc. “Our team continues to be laser-focused on supporting NIAAA’s research on the impact of alcohol use on human health and well-being.”

LCG’s partnership with NIAAA delivers broad-based IT services to the CIO’s Office of Information Technology Branch (ITB) including:

- Modernization and optimization of infrastructure services
- IT support services for onsite and remote end-users
- Clinical system modernization and enhancement
- Security operations and information security assurance

### **About the National Institute on Alcohol Abuse and Alcoholism (NIAAA)**

NIAAA is one of 27 Institutes at the [National Institutes of Health \(NIH\)](#), the nation’s medical research agency. It conducts and funds research on the impact of alcohol use on human health and well-being. NIAAA's mission is to generate and disseminate fundamental knowledge about the effects of alcohol on health and well-being, and apply that knowledge to improve diagnosis, prevention, and treatment of alcohol-related problems, including alcohol use disorder, across the lifespan.

### **About LCG Inc**

LCG is a leading provider of technology and solution-based consulting services, including managed infrastructure & operations, application services, cybersecurity, grant management, and more to help federal government agencies remain a step ahead in a digitally dynamic world. For over 25 years, LCG has been a trusted partner to more than 40 federal agencies, including 21 of the 27 ICs at the NIH.
